Meet us!

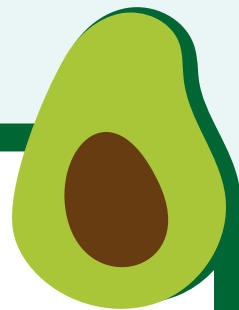

Our story...

Go Well

We began as a family business...

1990

Marsaxlokk LTD began as a family tradition dedicated to the production of fruits and vegetables.

TODAY

Today Marsaxlokk LTD is consolidated as a leading and reliable company, exporting around 12,000,000 kilos of fruits and vegetables per year throughout Europe.

Marsaxlokk LTD is founded as a registered trademark, based in Malta importing through the «Freeport»

2019

New methods of innovation are incorporated, establishing new relationships and sales with international customers, exporting throughout Europe
